PETITION TO REVIVE DUE TO UNINTENTIONAL ABANDONMENT

Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Sir:

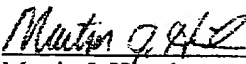

This is a petition to revive the above application under 37 C.F.R. §1.137(b) due to unintentional abandonment. Although it appears that no notice of abandonment was mailed, the application appears to be abandoned because no response to the Notice of Non-Compliant Amendment dated July 30, 2004 was filed (that notice was never received by the law firm of the undersigned representative and was recently discovered on the PAIR system). A response to the Notice of Non-Compliant Amendment is being filed herewith. The entire delay in filing the response, from the date of the Notice of Non-Compliant Amendment, to the filing of this petition, was unintentional.

The Office is respectfully authorized and requested to charge \$1,500 fee associated with this petition, as well as any additional required fee, to our Deposit Account No. 13-2855.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN LLP
